

The Great Journey of a Little Beetle

Illustrated by Ksenia Urban

A vibrant, dreamlike illustration of a child in a paper boat. The child, with brown hair and wearing a white shirt with red patterns, is looking up at a glowing green and yellow beetle flying towards them. The background is a swirling mix of warm yellow and orange light on the left, transitioning into deep blue and purple on the right. A large blue whale is visible in the upper right, and a dark blue castle with orange lights is on the far right. The water is filled with many colorful fish in shades of pink, orange, and yellow, along with several red starfish. The overall atmosphere is magical and whimsical.

Little beetle, flap your wings.
- Dreams of magic I will bring.

- La-la, la-la, la-la-la...
Sleep, my baby, fall asleep.

Fly above the mountains, fly.
- I'll be keeping watch all night.

- Little beetle, fly up high,
Shine your light across the sky,

A whimsical, painterly illustration of a giant, sleeping face with closed eyes and a gentle smile, dominating the right side of the frame. The face is rendered in warm, reddish-brown tones. The background is a dreamlike landscape with a flowing river of purple and pink light, golden grasses, and floating orange stars. A small green beetle with white wings is flying in the center. The overall mood is peaceful and magical.

Can you feel the gentle breeze?
Little beetle, fall asleep.

- Little bug, what can you see
When you fly over the trees?

- Across the river and the fields
Little creatures fall asleep,

Every rabbit, fox and deer -
They will have sweet dreams
All night.

- Little beetle, rest your head,
You have travelled far away.

All your worries will be gone,
Sound asleep until the dawn.

La-la, la-la, la-la-la...
Little beetle, fall asleep.
Like the rabbit, fox and deer
You will have sweet dreams
All night.
