

A whimsical illustration of a magical forest at night. A large brown bear with yellow and orange patterns on its chest is looking up at a glowing yellow beetle with green wings. A small grey rabbit is perched on the bear's back. The background is a deep purple and blue night sky filled with stars, glowing jellyfish, and a large yellow star. The foreground is a lush garden with purple and pink flowers.

The Great Journey of a Little Beetle

Illustrated by Ksenia Urban

- La-la, la-la, la-la-la...
Sleep, my baby, fall asleep.

Little beetle, flap your wings.
- Dreams of magic I will bring.

- Little beetle, fly up high,
Shine your light across the sky,

Fly above the mountains, fly.
- I'll be keeping watch all night.

- Little bug, what can you see
When you fly over the trees?

Can you feel the gentle breeze?
Little beetle, fall asleep.

A whimsical illustration of a forest at night. The scene is filled with tall, slender trees with textured bark. Several large, glowing mushrooms with white caps and yellow-orange centers are scattered throughout the forest floor. A bright, glowing firefly with green and yellow wings is in the lower right foreground. The background is a warm, golden-yellow glow, suggesting a full moon or a fire in the distance. Small, glowing yellow stars or flowers are visible in the air. The overall atmosphere is magical and serene.

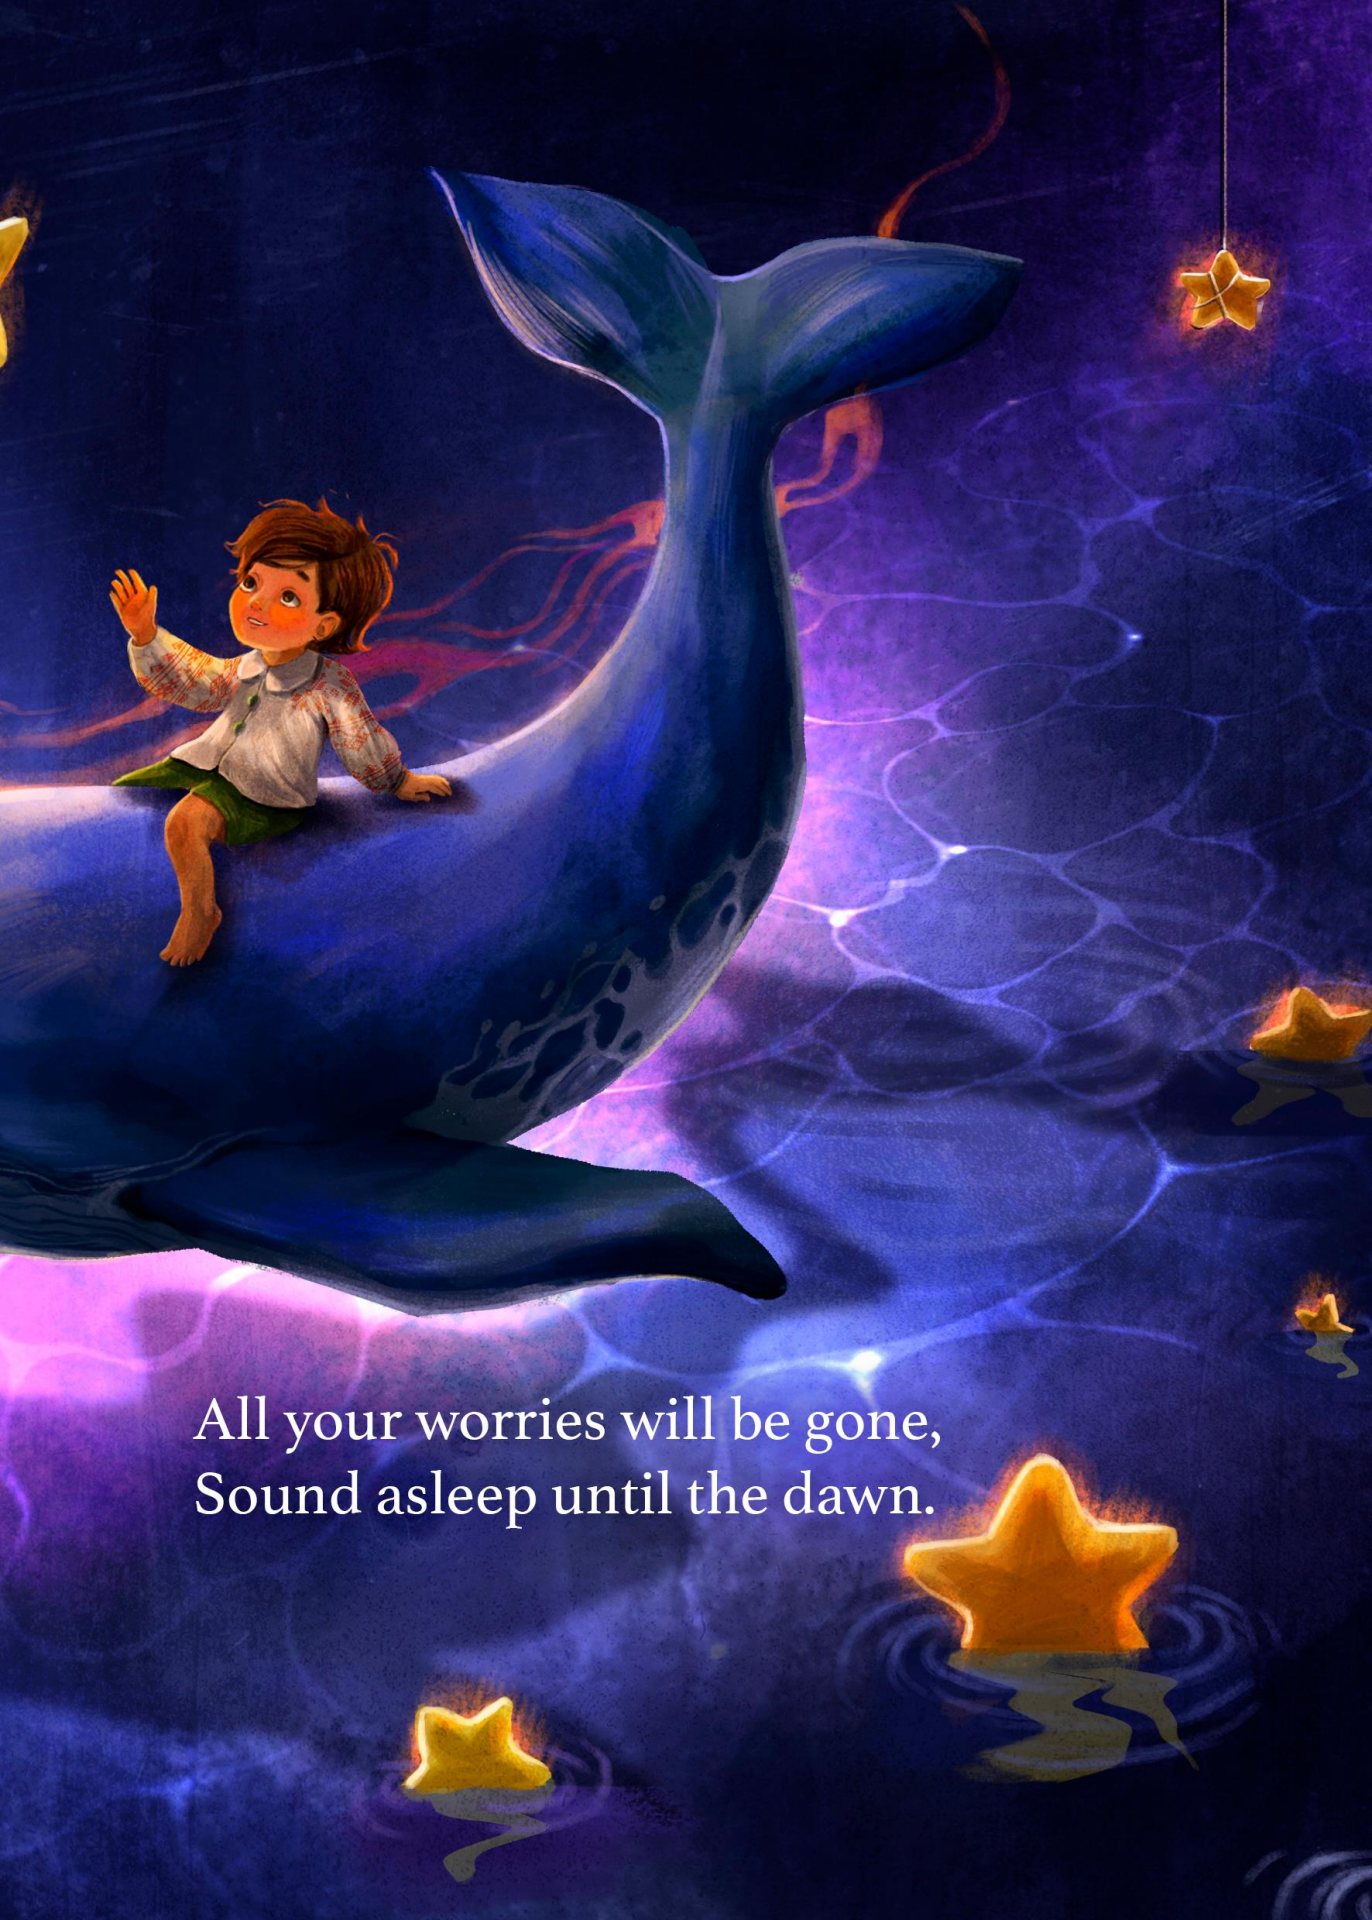

- Across the river and the fields
Little creatures fall asleep,

Every rabbit, fox and deer -
They will have sweet dreams
All night.

- Little beetle, rest your head,
You have travelled far away.

All your worries will be gone,
Sound asleep until the dawn.

La-la, la-la, la-la-la...
Little beetle, fall asleep.
Like the rabbit, fox and deer
You will have sweet dreams
All night.
